

LIGHTWAVE ELITE

Our newest and most sophisticated Professional grade LED light therapy system in LIGHTWAVE's advanced product line.

The ELITE Utilizes over 4000 LEDs of proven Red (630 nm), Infrared (880 nm) and Blue (420 nm) wavelengths without changing any heads. Can be customized to have one, two or three wavelengths if desired.

The main unit is equipped with a large LCD screen and control panel for ease of use. It includes 3 sockets, allowing the use of up to 3 treatment areas simultaneously. The LED panel is mounted on fully articulating arm making it hands free during operation and requiring minimal user interaction.
